## **SHERIFF ZURLO ENDORSES ROBIN DALTON FOR PUBLIC SAFETY COMMISSIONER**

*Saratoga County Sheriff announces support to elect Dalton as city's first Public Safety  
Commissioner*

Saratoga County Sheriff Michael H. Zurlo today announced his endorsement of Robin Dalton for Public Safety Commissioner in Saratoga Springs. Zurlo cited Dalton's ability to build consensus, as well as her budgetary and community service experience as some of the many reasons to elect Dalton this November.

Zurlo also stated he believes Dalton will play an important role in facilitating school safety concerns and be a strong partner with the Saratoga County Sheriff's office.

"The choice for a safe Saratoga Springs is clear: Robin Dalton for Public Safety Commissioner. When it comes to who possesses the best temperament, is the most honest and transparent, and can truly improve communication between the public and our men and women in law enforcement, Robin Dalton is by far the clear choice. We can count on Robin's sound judgment and budgetary experience, and trust her moral compass to make good public safety decisions for all Saratogians."
